

**CALTECH SURF AND WINDSURF CLUB
MEMBERSHIP FORM**

I, _____, upon joining the
(please PRINT name here)
Caltech Surf and Windsurf Club (CSWC), agree to take full responsibility for myself and
for the Club's equipment when I sign it out, or have it in my possession.

I have read and understand all of the CSWC policies and rules published on the Club's
website: <http://www.its.caltech.edu/~surfer/>.

I will abide by the CSWC rules and policies at all times.

In the event that CSWC equipment is lost, stolen, broken or damaged in any way during
the period of my responsibility, I will repair or replace any and all parts necessary to
restore it to its original condition.

I will examine the equipment before taking it to ensure that the previous user returned it
in working condition. If equipment is damaged after I have signed it out, I take full
responsibility for its condition upon returning it, regardless if I did the damage myself.

I recognize that surfing and/or windsurfing is a dangerous sport and I waive and release
all claims for death, personal injury or property damage that may occur as a result of
engaging in a CSWC activity. This discharges in advance Caltech, the Caltech Surf and
Windsurf Club, its officers, its members, its employees and other for liability even though
that liability may arise from their negligence. I know that surfing and/or windsurfing
involves a risk of accidents and I willingly assume the risk. This waiver releases and
assumption of risk is binding on my heirs and assigns.

I will abide by the Caltech Honor Code in all my interactions with the CSWC.
