With drama ($J = 105$)

There's a beat appearing in

U.

En-gi-neer-ing. It's a me-lo-dy I know. So take a seat, just tap your feet,

Pno.

Brisk tango ($J = 160$)

and watch The Warp Drive Tan-go.

Pno.

crystals hum as notes you strum, so

turn the warning lights down low. Dilithium, crazy rhythm,

will make The Warp Drive Tango. Feel the buzz of antimatter as it flows through the warp core. Feel your heart go pit-ter-pat-ter as you stride across the floor.

Though it's not that scientific and it is nae mathematical.
